

WallMax® Group

WMS & WMC Series

WallMax® Module Solid Compact

WallMax Modules Solid Compact are designed to complement WallMax Regular Modules Compact inside sealing solutions.

With half the length of WMS, at 30mm instead of 60mm, they can be utilised to fill up space inside WallMax Mini R, WCC PA, WX 200 PA, WMFC PA.

Key benefits:

- » 30mm depth solid modules complement WallMax Regular Compact Modules
- » Used to fill unused frame space
- » Compatible with WallMax Mini R, WCC PA, WX 200 PA, WMFC PA frames

Material: EPDM Rubber

WallMax® Module Solid Compact (WMSC)

Code	Article	External dimensions (mm)	Weight	
		HxW (D=30mm)	g	lb
713003 0504	WMSC 5x40	5x40	7	0.015
713003 1004	WMSC 10x40	10x40	14	0.031
713003 0512	WMSC 5x120	5x120	21	0.046
713003 1012	WMSC 10x120	10x120	44	0.095
